Triathlon Volunteer Bonus Points

Any member who misses a Triathlon to volunteer is awarded 10 bonus points 1x per season						
This is allocated to both the Triathlon Series and Club Championship Total						
No points awarded for volunteering for Aquathons or Duathlons						
Volunteering counts as participating in an event

Club Championship Overview

- Results from Entire Season's Club Events (Aquathons and Duathlons) and Triathlons are part of "TriClub Doha Championship 2016-2017"
- Points awarded in each event for first 50 participants based on age group; ie: 50 points for 1st place, 49 for 2nd etc, for each age group (Veterans, Open, Junior/Kids Age Groups)
- Season score based upon best 4 scores in the events; highest points for the best 4 (of 7) Triathlons, Best 4 (of 8) Aquathons and Best 4 (of 8) Duathlons. Need to do 4 events in each category to qualify
- Awards for Triathlon, Aquathon, Duathlon and Overall. One Trophy per participant will list position for each category (1st/2nd/3rd with all "qualifying participants" divided into three equal groups; gold, silver, bronze awards).
- Anyone qualifying by doing 12 events of each discipline will qualify for at least a bronze trophy at the End of Season Awards ceremony in May 2017. Attending and starting an event will result in at least 1 point and count as an event, ie. If you are unable to finish, you will receive 1 point.
- Point awards starting at 25 points for half/reduced distance triathlons eg. Super sprint, when main race is sprint; or Sprint, when main race is Olympic. This is to ensure that winners of the shorter distance triathlon cannot score as highly as the winners of the longer triathlon and potentially win more points than a better triathlete that they would not normally beat. It also is intended to motivate members to do the longer event.
- To encourage volunteering for Triathlons, a oneoff award of 10 bonus points for the triathlon award for missing a triathlon to volunteer in a marshal role; sign up in advance on volunteer roster. Volunteering counts as participating in the event.
- Triathlon awards for Kids and Junior age groups (best 4 results from 6 triathlons). Aquathon and Duathlon awards will be provided if kids complete 4 out of 8 events
- This championship is intended to recognise participation and effort and create fun competition and improvement. *It is not intended to create unhealthy rivalry and should not be taken overly seriously* .
- The championship subcommittee will try hard to record the times and scores accurately, but will occasionally get things a little wrong and will do their best to correct them.
